

Lunchtime Webinar: Thursday 25 January 2024, 1 pm to 2.00 pm (CET)

The LIDC will be holding a joint lunchtime webinar with Nex Gen on **Thursday 25 January from 1pm to 2.00 pm (CET)** on:

“Ownership of AI Works: IP and Competition Views”

The webinar will address the impact of AI on people’s professional and personal lives, outlining its advantages and pitfalls. Moreover, two specific questions will be handled:

- *Can machine generated works benefit from IP protection?*
- *What impacts could the inclusion / exclusion of machine generated works under IP law have on competition?*

Our speakers will consist of:

- **Ben Evans LLM**, School of Law and Centre for Competition Policy, UEA (UK)
- **Luca Schirru**, Brazilian Copyright Institute and Centre for IT & IP Law (KU Leuven)
- **Dr Aris Georgopoulos**, University of Nottingham, Law School (UK), Attorney Supreme Court (Greece)

The session will be moderated by Dominik Bajger, LIDC-Nex Gen (Czech Republic).

There will be no charge for attending this event.
